OBSERVED VIOLATIONS

None

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may also be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

COMMENTS

1. The service area for this facility is Craven, Cumberland, Duplin, Edgecombe, Greene, Johnston, Lenoir, Nash, Onslow, Pitt, Wayne, and Wilson Counties.
2. The wind-blown is being managed well.
3. The tipping floor is washed with a hot water pressure washer.
4. Fire extinguishers are inside the transfer station and were reading a full charge.
5. The waste is primarily transferred to Sampson County (82-02). East Carolina Regional Landfill (08-03) and Johnston Co. MSWLF (51-03) serve as secondary disposal facilities. The trailers are hauled by Shavender Trucking.
6. Leachate is currently being collected in a 2,000 gallon tank and pumped as needed. The leachate is hauled by Safety-Kleen for proper disposal.
7. All access roads are paved with no erosion problems.
8. Random inspections are being performed.
9. One of the push-walls has toppled; repair has been scheduled.

Enter from Leslie Stroud Road, off NC11, ~8 mi. S of NC70

Push-wall repair has been completed (June above)
